Raining Hope
HE WILL SEND SHOWERS OF RAIN
SO EVERY FIELD BECOMES A LUSH PASTURE

GIVING TUESDAY — TUESDAY, DECEMBER 1, 2026

To all Our Dear Friends, Sponsors and Partners:

Mark your calendars for **GivingTuesday 2026!** It is the Tuesday after Thanksgiving weekend, **December 1, 2026.**

"GivingTuesday isn't a single 24-hour fundraising flash sale. It's a year-round, worldwide movement built on the idea that generosity, whether that's in the form of money, time, voice, goods or skill, can reshape communities when people show up and do something together". (GivingTuesday.org)

As we get close to Thanksgiving this month, we are not focusing only on one day of the year. **We express our thanks to YOU our sponsors and friends everyday!** Our Raining Hope family in Uganda does not take your support for granted. They appreciate every month there is food on the table, medical bills paid, electricity and clean water available and the ability to go to school. They have devotions each evening and continue to pray for you and thank the Lord for your love for them.

God is so good. He has provided in ways that can only be explained by Him. He has used you to achieve was seemingly looked impossible. We cannot do this without you. You are an important part of our family.

On Tuesday, December 1st, we want to pray for the needs for the Raining Hope family. **Our priority is raising funds for our regular budget.** We are in need of more funding monthly to make our regular budget. Godfrey is continuing to make adjustments in order to purchase what he can with what is sent. We also are praying for the upcoming Christmas holiday and our outreach to our families and those in need.

You are helping to reshape communities in Uganda and make a difference in their lives. Thank you for showing up and working together with us as a team. We appreciate your prayers and your support.

Happy Thanksgiving! You are loved!
Mama Eydie Kisakye
"Oh, give thanks to the Lord, for He is good! For His mercy endures forever".

RADIO PROGRAM

We wanted to give you an update on how your support of the radio ministry has been so impactful for our community and Uganda as a whole. We started weekly programs on a local radio station during the COVID19 crisis.

With many people in lockdown, we were not able to meet in person for weekly services. But, it was possible to reach them with the gospel of Jesus Christ by radio and encourage them during such hard times. The radio ministry was one of the ways we kept people connected to God. During those days, we saw people saved, healed from diseases and put their trust in the Lord. Many were strengthened in their faith as they didn't know what would happen next. The future was so uncertain. We thank the Lord that He passed us through those deadly perils.

After those days, we continued with the radio ministry because of the paradigm shift that happened after COVID19 where people continued online. This opened the door of evangelism, prayers and teaching of the Word through the radio ministry. We decided to meet not only the physical needs of people but also their spiritual needs through the radio ministry. For a brief period, our radio program was broadcasted to other parts of Uganda. We were not able to continue this because they required me to travel to Kampala weekly which became too costly for petro as well as my time.

We have received testimony after testimony of the saving and healing power of the Lord through the radio ministry as we have shared with you on many occasions in the newsletters. The radio ministry has helped to combat false doctrines and prosperity gospel teachings that have crippled the spiritual growth of many. There is a pastor who traveled an hour away to come to our church just to thank us for the teaching on the radio ministry that helped his area. He testified that every time they are tuned in, he gathered his family and some other neighbors who had no radio so they could hear the word of God. They were thankful that the radio ministry was impacting their community. The management of the radio ministry increased the fees for all clients except for us because of how impactful and important the radio ministry is.

Through the radio ministry, we are planning an event in May 2027 to bring together those who have been saved, healed and impacted with the ministry so we can praise God, share the gospel and pray for people during that time. Keep us in prayers so that that dream will come true and that the Lord will provide for the event in May.

I am therefore, thankful for the gracious hand of God through all of you to support and stand with the radio ministry over the years. We continue to pray and trust the Lord for provision so that many people will come to the Lord and experience His goodness through the Radio ministry. I will continue to share with you more testimonies as they come in. May God richly bless you for supporting His cause!
With Love,
Godfrey

UNIVERSITY SCHOOL FEES, SUPPLIES & BOARDING

Post Secondary School/Trade School

Joanne	Victoria University Kampala	Agriculture	**$ 1,020**

Joanne - She began at University August 2025. Joanne has three semesters a year. She will graduate August 2028. Her fees include school fees, transportation, meals, scholastic materials, hostel/housing fees and an agricultural trip.

Thank you for your support of Joanne's school fees. She finished her 1st trimester of year 2 and performed well. Joanne begins her 2nd trimester of year 2 on November 9, 2026. The break before the end of the year is always the shortest. **We will need to send a deposit this week so Joanne can begin on time.**

Joanne has been in need of a laptop computer as most of her lectures are online. Much of her work is on a computer. She is staying in class after everyone is gone to access school computers. That keeps her there until late at night until they need to close the school computer lab. Even though all three university students need computers, Joanne's is the most urgent. **Cost of a computer for Joanne is $725. (Laptops for students is lower cost than business computers).**
