Mama Kisakye has been going to Uganda for the past 12 years since Dec. 2006/January 2007. We started the ministry as Psalms10 under the leadership of Devo Marshall. We officially became Raining Hope on 9-9-09. **Today we are launching our year long celebration of 10 years of being the Raining Hope Family!** This will be an exciting time for Raining Hope as we look back on all that God has done and look forward to what He will do in the lives of our Raining Hope family! You will find just a small portion of what you have to look forward to this year inside this special edition!

Newsletter

Each month we will **highlight two of our students**. We want you to get to know our family this year. Each student will be sharing their testimony and how Raining Hope has made a difference in their lives. We are trying to go into the archives and post photos of when they first came to us and how they have now grown into the strong young men and women of God today! It will be an exciting journey for all of us! The first two will be Henry & Sophia! Look for their testimony this week!

Website

We are making exciting **changes to the website** as well. Carol John is working to add videos each month of each highlighted student. We will be adding new content regularly each month. You never know what you will find this year! **So make sure to keep checking the website!**

New Logo

Ricky McDonald, who designed our Raining Hope logo, is **creating a 10-Year Anniversary logo** for us! We will begin using the new logo this month. Keep your eye out for this beautiful new design!

40 Days of Prayer

For the 10th Anniversary we want to dedicate this year to praying daily for Raining Hope Ministries. Beginning today, 9-9-19 we will kick off **40 Days of Prayer**. On our Raining Hope Facebook page, we will daily post a student or staff member to keep in prayer. We will also send a full copy by email for those who do not have access to Facebook.

Day 1 - September 9, 2019

Pray a prayer of Thanksgiving & Praise for the many things that God has done in the past **10 years since the birth of Raining Hope, Uganda** (12 years since our first mission's trip). When you begin to think back on the miraculous, the only explanation is GOD. We have much to be thankful for! Pray for a breakthrough this year for Raining Hope. Pray for the miraculous!

"I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing. If you do not remain in me, you are like a branch that is thrown away and withers; such branches are picked up, thrown into the fire and burned. If you remain in me and my words remain in you, ask whatever you wish,

A Word from Godfrey, Manager of Raining Hope Uganda

TO THE RAINING HOPE SPONSORS AND PARTNERS:

Special greetings to you all our friends and partners who have been by our side all this time as a ministry. We are thankful to God for how far he has brought us and how far he is taking us for His glory. When I look 10 years back from the very beginning, I can see countless blessings that the Lord has showered upon us using men and women such as you. First, I am grateful to God for endowing unto us such a beautiful gift of His own servant, Mama Kisakye Eydie who have managed to stand up to this point being used of God to restore dreams of many. She is such a special gift to us from God that we treasure so much. **Raining Hope as a ministry has registered lots of testimonies in a period of 10 years.** Through ups and downs that we have experienced as a ministry, we have reason to celebrate this 10th Anniversary **appreciating God for the victory he has lavished upon us each year.**

Through your support and love, we've seen God settle us in a **place we call home** (nicknamed Raining Hope Palace). **Our students have continued in school.** We have **four who have graduated from higher institution of learning** as listed below and others who are yet to join high institutions.

1. Joan - Diploma in cosmetology currently continuing her education with Social Works and Social Administration to fully work as staff with Raining Hope Ministries.
2. Sylvia - Diploma in Journalism, soon continuing with Procurement (Business Managing) so she can be Staff at Raining Hope.
3. Jonathan - Certificate in Nursing- currently he is helping volunteer at Raining Hope Ministries as a nurse.
4. Jesca - Certificate in Nursing.
5. Peter - Our first graduate - Law School in Rwanda

By the grace of God, we have a **church that is reaching out to the community reconciling men to God.** Through the ministry outreach, people have come to know the Lord and their heads are lifted up in hope. Lives of many are being transformed as they come under the power of the Holy Spirit as they listen to the word of God and participate in worship. We are forever thankful to God for His work at Raining Hope Ministries.

We are looking forward for the new things that the Lord is doing. We are trusting God for the projects and continued outreach He has planned for us. Therefore, keep us in your prayers.

Above all, we **thank the Almighty God for who you are in our lives.** Your support, love, care and kindness speaks a million words as you bring hope to so many hearts. May our good God bless you and give you increase in all you do, May He reach out to you at the point of your need, May He heal those who are weak in their bodies and comfort those who mourn. We extend our condolences for those who have lost their loved ones in the past 10 years, May God strengthen your hearts and bring peace to all families.

We love you and pray for you all. Happy 10th Anniversary!
