To the Raining Hope Family:

Happy 13th Anniversary of officially becoming Raining Hope! It's a great pleasure to remember how far the Lord has brought us. We have all reasons to celebrate this day because of God's goodness to us as a ministry and family. This day reminds us of God's love and care towards the children of Raining Hope through all our dear sponsors, friends and partners all over. God has used you so much to bring hope and a deep smile on the faces of many who were less privileged and now full of hope and visions for their future.

It's a great joy to see our five students ready to move out and light their candles for the world to see. Through your love and support, we have helped them to start life and live in their own. It's a great achievement for us as a family to see that we have five to be resettled. Even if it was just one, we would still have the same great joy in our hearts. Yet, God enabled all these five to go through our hands and to help others who are following from behind. Thank you so much for such great love and support.

In a special way, I would like to thank our Mum Eydie Kisakye for such a great work done. The 25 trips she has made so far made to Uganda over the last 15 1/2 years have not been in vain. God has used her in such great ways and I can assure you that she has all reasons to celebrate this anniversary. We appreciate her so much and the entire Raining Hope friends, sponsors and partners. You have all been there with us all these years, in sickness, in feeding, in school, in troubles, you name it all. You have stood by our side all these years and this is never unnoticed. You have loved us as your own. You have fed us well. So much to say and so much to hope and yet it's one thing I can say, we love you dearly and treasure you.

I therefore, congratulate all our beloved Raining Hope sponsors, friends and partners for how far the Lord has brought us all. May we live to see many good days of Raining Hope, days of greater things and better opportunities to serve the less privileged with love, hope and care. Thank you for being that miracle in the lives of many here in Uganda.

We are humbled. We are encouraged. We are blessed. All because you have allowed God to use you. Love you all dearly. May God satisfy you with more days of his goodness here on earth and hereafter. Happy 13th Anniversary as Raining Hope and 25 trips of motherly love and care over the past 15 1/2 years from Mum Eydie Kisakye.

Love you all dearly,
Godfrey - Raining Hope Ministries Uganda
