**Raining Hope  
10th Anniversary!**

**9-9-19**

**Mama Kisakye has been going to Uganda for the past 12 years since Dec. 2006/ January 2007.**

We officially became Raining Hope Inc. on 9-9-09. This year we will celebrate 10 years of being the Raining Hope family! We are praying about how we will celebrate this important anniversary! Stay tuned!

## Health

**Thank you for praying for the health of our children.** We appreciate your overall prayers for healing.

- Vivian has been struggling with ulcers but doing better.
- Hope has had a cough and stomach issues but is healing.
- Annet has had stomach aches but is under medication and medical observation.
- Hillary is still struggling with his urinary track system. They have run tests and the doctors provided some treatment but it's not responding. We were referred to another urologist in Nsabya Hospital in Kampala to do certain tests which in total will **cost about \$150**. We are praying they can determine what is wrong with him so they can treat it.

The overall health of the family at Raining Hope has improved over time because of healthy food choices, discipline and behavior changes.

**Our resident doctor, Dr. Paul spent 2 hours recently having a health talk with the Raining Hope family.** He visits once a week which is part of the new government requirements for homes.

## Medicine

We are required to keep certain medicines in stock at the house. We have run out of on hand medicine and some have expired.

**Dr. Paul gave us a list of what we need to restock based on the health conditions of the house.**

Total for drugs for malaria, ulcers, headaches, typhoid, cough, stomach aches and other small illnesses: **\$203**

## Van

Godfrey reported that our **van recently broke down in the middle of the road**. He said the timing belt broke while he was driving. We are thankful he didn't get into an accident when the van suddenly stopped in the middle of traffic.

Because of the age of the van, parts are all in need of being replaced. The government recently banned the importation of old cars which pollute the environment. Those driving older cars are subjected to higher taxes to discourage the use of older cars. Until we have funds to buy a newer van our only alternative is to repair our current van.

**Here is the breakdown of what is currently needed.** Godfrey is currently without our own transportation until the van can be fixed.

Timing Belt (\$41) / Fan (\$19) / Alternator (\$68) / Axle - 2 pairs (\$55) / Repair Radiator (\$43) / Mountings - 4 pairs (\$33) / Light headers 1 pair (\$82) / Repair the behind cabin (\$27) / Brake pads (\$33) / Annual Motor Insurance (\$25) / Accelerator Cable (\$25) / Labor (\$55)

**Total amount needed: \$505**

We are praying and waiting on the Lord for His provision. Godfrey currently has the help of leaders in the church who are helping with the transportation until we can get the van repaired.

### ADDITIONAL PRAYER REQUESTS:

**RAINING HOPE MINISTRIES** continues to grow! Currently they have 180 members with an average of 210-230 attend on Sunday mornings! The children have continued to grow in their faith as seen in their service to the ministry and their commitment to God! Pray as they are in need of at least **100 more chairs** as some people have to stand during services. This is a good problem to have!

**Pray as they are planning to reach out to the community August 18-24, 2019 for Mission's Month.** They will have door-to-door outreach, an open air crusade, and a youth conference.

**Our monthly budget in Uganda is approximately \$1700.** This is separate from school fees and renovation needs. This covers food, medical, salaries, transportation, clothing and other miscellaneous items. **We are trying to raise \$2,000 so we can get ahead one month to send the full amount at the start of the month.** We currently have to send the money for the budget two separate times in the month which makes it more challenging for daily operations. The additional \$300 would be for an emergency fund they can keep there on hand for unexpected expenses. We are currently waiting for the first of the month donations so we can wire money for food and bills.
