Thank you for praying for our overnight prayer event on May 15, 2026. We started at 7:30 pm and concluded at 5:00 am the next morning.

We were blessed with the presence of God. We also had rainfall in the night which was also a good sign of His presence.

There were 110 people who were present. There were approximately 40 people who experienced a filling of the Holy Spirit by being empowered by His Spirit, filled with joy and recommitting their lives to God. Some were turning back to God with loud cries of repentance and so much more. There was a great move of God through the Holy Spirit.

One person accepted Jesus as their Savior. Six people experienced healing.

The Spirit of God moved in such a special way in our lives. The church ministry is making a huge difference in the lives of those in our community. We appreciate your continued prayers for how God is using Raining Hope Ministries to change lives! Shalom, Godfrey

COMPLIANCE UPDATE: COMMUNITY SUPPORT - HOSPITAL PROJECT

We had our first hospital visit on March 27, 2026 at Jinja Regional Referral Hospital Pediatric Centre, Nalufenya, Uganda. We ministered to the sick children and their parents. We were able to successfully return to the Jinja Regional Referral Hospital on **Friday, May 1, 2026**. They concentrated on one ward which had patients of sickle cell diseases and those of the same category.

Godfrey shared this testimony from one of the grateful mothers on the second visit:

Thank you for all the support towards the hospital ministry. I am happy to share with you the testimony of one of the mothers we preached the word of God to and also prayed for her child.

A mother named Hellen had a sick child at the regional children's referral hospital here in Jinja, Uganda. She had lost hope and was so discouraged because of the medical state her child was in. She said the doctors seemed to have exhausted all possible means to help her son. So she was waiting for what happens next. I shared with her the message of salvation and the hope eternal that is ours in Christ Jesus. I prayed for her child who at the same time was not doing well. Hellen gave her life to Christ and got emotional and started thanking God. She said for the first time in a long time in her life she feels hopeful and encouraged to carry on. She has a reason to nurse her sick child and she feels this moment made her ready for all that is to come. She was thankful to God and to us for coming and the supplies we provided as gifts to them. She was struggling with getting soap to wash but she was encouraged that soap was one of the items we brought for them. She concluded with these words, "You are true Christians". This was an encouragement to continue in the way of the cross and caring for those in need.

I therefore, thank you again for all the support towards the Hospital Ministry.

May God richly bless you.

Shalom

Godfrey

There continues to be a rise in the cost of school fees and requirements. Petro (gasoline) in the country has again increased which affects the movement of goods and services in the entire country. Godfrey expressed that he understands this rise in cost is being experienced everywhere around the globe. He trusts that the Lord will give us wisdom to go through such difficult times. **This has also impacted the prices of the school requirements.**

School resumes on May 21, 2026. We are praying the Lord will continue to open doors of provision. They are aware of what it means to have three students in university and two in advanced levels. They are all thankful to God for the way He is using you to help their dreams come true.

We will need to at least have 70% of a deposit off the grand total in order for the students to return to classes. Please be in prayer for the second term school fees.

Zuluta began her university courses August 2024. Every year she has three semesters. She will graduate May 2027.
Tamarah began her courses August 2025 at Makerere University Business School in Kampala. Every year she has two semesters. She will graduate May 2028.
Joanne began her courses August 2025. She has three semesters a year. She will graduate August 2028.
Maria is in her last year in vocational training. She began her courses in May 2025. She will graduate in March 2027. She has three terms a year. Her academics have improved more so as she is doing more practical lessons in vocational training. Maria is thankful for this second chance given to her to do better.
Daniel will be seating for his national exams this year that will determine his pass to university. Please keep him in your prayers as he finishes his final secondary school year.

1. **SCHOOL FEES** - Thank you to everyone who gave **above and beyond the monthly sponsorship giving** to help our students in the **first term of their school year**. THANK YOU for caring about their educational needs! **Pray for the Second Term School Fees that were due March 21, 2026. New deadline for the deposit of \$2,000 is June 12, 2026.**
2. **BUDGET** - We are thankful for our sponsors who **sacrificially support Raining Hope each month. Thank you for reading the newsletter monthly to pray for our projects and our regular needs.** We still need your prayers as **our monthly sponsorships don't cover the full budget amount. We need about \$500 a month more in regular monthly sponsorships.** We are currently able to send the full budget at the beginning of the month because of the generosity of donors who gave at the end of last year. This was above and beyond regular sponsorships. **Our biggest need right now is to continue to raise funds to cover monthly budget needs. We appreciate your prayers for these provisions.**
3. **TIRES:** When Godfrey was pulled over because of his expired registration, we were able to renew the registration. But they also warned him the **tires are starting to wear out and need replacing. If we don't replace the tires soon they can impound the car until we purchase new tires. Cost will be \$638.**
4. **PLUMBING:** We recently had plumbing issues that needed repair. **Cost will be \$104**
5. **EBOLA:** Pray for Uganda and the recent Ebola outbreak. The Ebola breakout continues to spread in the Democratic Republic of Congo. The borders from the Congo to Uganda have been closed to try to prevent the spread into Uganda. So far, it has not reached the area where we are in Jinja. Continue to pray for the country. We know God is the ultimate healer. We pray for those who are already affected by the Ebola virus. We pray for our Raining Hope family to remain safe.
